CATALOGUE

OF THE

PHILANTHROPIC SOCIETY,

INSTITUTED IN THE

UNIVERSITY OF NORTH CAROLINA

AUGUST 1st, 1795.

RALEIGH:

PRINTED BY THOMAS J. LEMAY.

1841.

The members of Society are divided into two classes by the stars. Those before the stars in each year, were Regular Members of the Society, and Members of College; those after them, were Honorary Members of Society, and never were Members of College.

The State of an individual's residence, only, is mentioned, unless he is from North Carolina, when the Town or County in which he resides, if known, is added. The place of residence at the time of joining the Society, is, in all cases, adopted.

NOTE.

The name of Thomas B. Wetmore, of Fayetteville, should have been inserted in the list of regular members for 1837, and that of Joseph J. Mhoon, of Alabama, in the list of regular members for 1838.

The name of Charles Chalmers, M. D., of Fayetteville, should have been placed in the list of regular members for 1826, instead of the list of irregular members for that year, where it now stands.

Instead of Jno. B. Mvers in the list of regular members for 1839, the name should be printed John B. Myers.
